## Discover Unique Tonga

The best way to explore the Kingdom of Tonga is through **Jones Travel**!

Jones Travel is a well-established private company, considered in Tonga as Tonga's first full-service professional agent. With our extensive experience and knowledge of our kingdom's history and geography, we offer to design your client's holiday to Tonga. We ensure you that we will help make their holiday a timeless one!

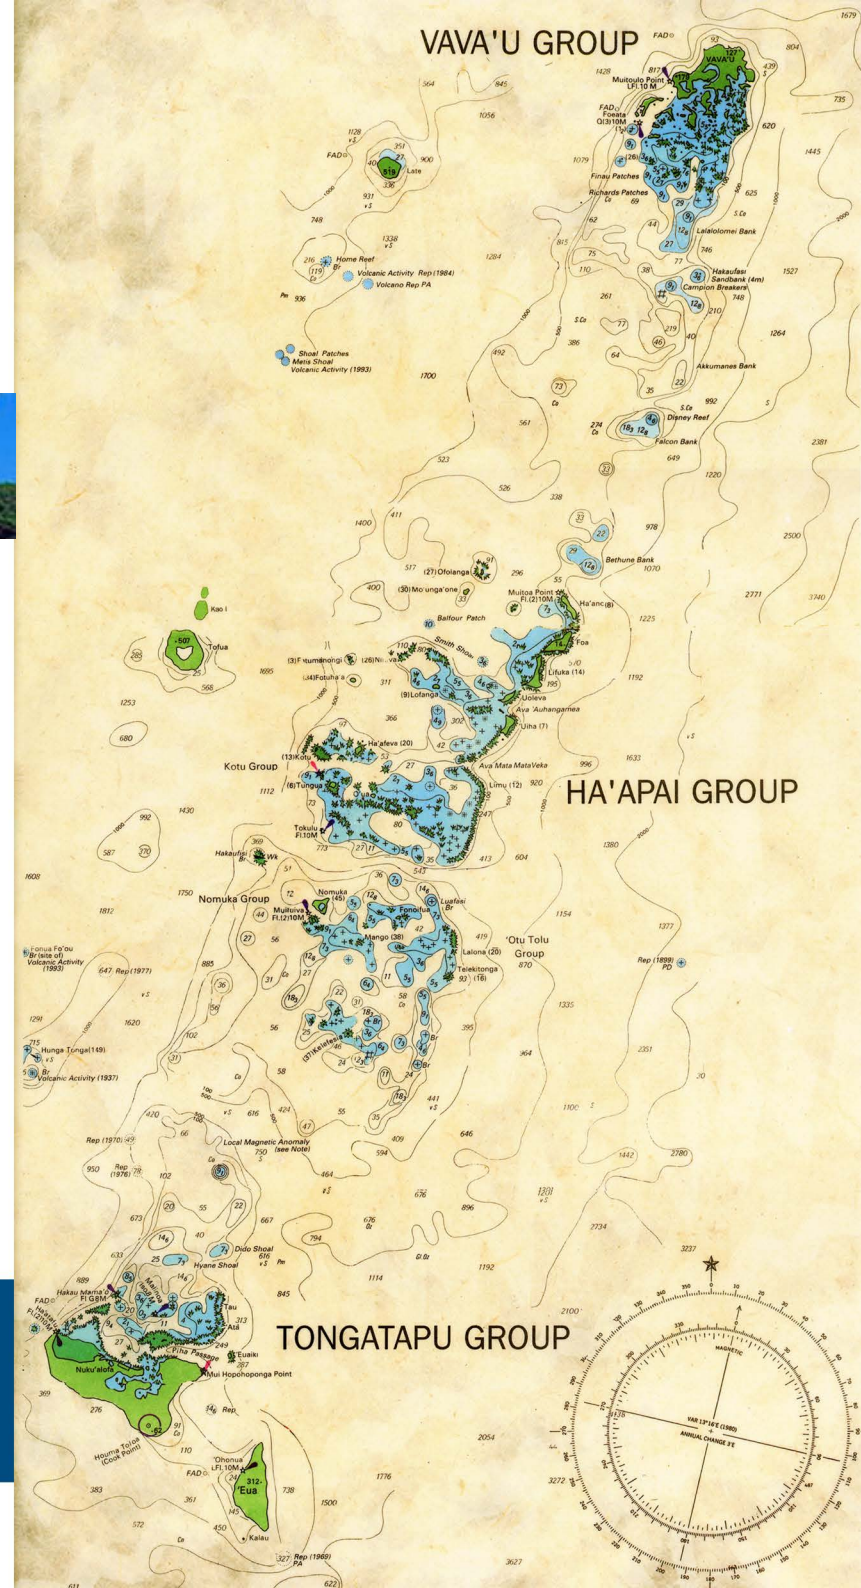

Tonga, officially the Kingdom of Tonga, is an archipelago of 176 islands. Situated in the South Pacific along the International Dateline. Tonga is made up of three main clusters of island groups, **Vava'u** in the north, **Ha'apai** in the center and **Tongatapu** in the south.

Each of the groups offers its' own individual treasures to enjoy. Tonga, known to all as **"the Friendly Islands"**, has a proud historical and cultural heritage combined with a strong focus on religion. The Kingdom of Tonga is the last surviving sovereign monarchy in the Southern Seas and the only island nation in the region to have avoided colonization.

## Niuafo'ou

*Niuafo'ou* is one of the remotest islands in the Tonga.

Shaped like a doughnut, it is a typical volcanic Pacific island.

Despite there being no safe anchorage for large vessels, Niuafo'ou tours are still popular just for cruising along the island. The most prominent feature of Niuafo'ou is the 260 metre high peak, actually the tip of a large volcano. Simply sailing past the island helps you to relax and brings about thoughts of what it means to be away from the mad rush of city life.
